

**LAURA
FREEMAN**

the
**JUDY
GARLAND**
duets

**and ROB
DORN**

Join this musical tour-de-force as they pay tribute to one of the top entertainers of the twentieth century and her famous duets with such luminaries as Gene Kelly, Fred Astaire and the one and only Mickey Rooney.

Not only is this a retrospective of Garland's career, but a celebration of Garland's influence on performers. "Unlike a typical tribute show, we are assuming the Judy lovers out there know her story," says Freeman. "This is really a personal tribute. How Judy touched my life, as well as how she influenced Rob's, is the driving force of this narrative." "There are very few performers who have reached such a diverse group of fans," said Dorn. "We are all inspired by her. She is a national treasure."
